

Reimagining the future

Shaping tomorrow through technology,
digital Innovation & automation

7-8 October 2025
Sandvik Coromant Center
Halesowen, B62 8QZ, UK

Join. Learn. Connect.

Experience innovation first-hand

Get hands-on with the latest tech shaping the future.

Learn from industry experts

Insights and strategies straight from the field.

Co-create with Engineering

Join collaborative projects and see ideas come to life.

Discover the power of automation

Understand how smart systems drive efficiency.

Meet our trusted partners

Explore solutions from top-tier industry leaders.

Connect and grow your network

Meet peers and professionals who share your passion.

KUKA
